Asunto: Sentry Capacity for March 1
Importancia: Alta

Shortly you will be receiving your Sentry capacity allowances for March 1 investments.

Due to the increased volume of trades, for Sentry/Sigma/Lambda investments, please note the following:

1 - ALL advises and approvals for Sentry and Sigma should be sent to SAM and LAUREN and factshelp@citco.com, not directly to Maria Ibarra or Maria Joao on the Citco IRG desk. Advises should include amount, investing entity (custodian if applicable) and subagent/rebate information.

2 - Approval from Jeffrey/Corina does not mean that Citco will automatically approve the trade

once received. Please forward these approvals to Sam who will keep a master list and coordinate the approvals with Citco.

Finally, the capacity allowances you will receive are inclusive of any capacity amounts you have through redemptions. For example, if you had a \$10mm redemption and have \$5mm of capacity and FGG gives you \$10mm of capacity this month, you have \$10mm TOTAL in capacity. Any additional capacity should be approved by Jeffrey or Corina.

Please contact Sam or me with any questions.

Kind rgds,
Lauren
